

Product Fiche

Product fiche pursuant to Delegated Regulation (EU) no. 2019/2016

| Refrigeration                            | Answer  | Units                  | Additional | Additional |
|--|---|------------------------|------------|------------|
| Model identifier:                        | RL111W.E  |                        |            |            |
| Type of refrigerating appliance:         | Refrigerator with one or more fresh-food storage compartments |                        |            |            |
| Low-noise appliance:                     | no  |                        |            |            |
| Wine storage appliance:                  | no  |                        |            |            |
| Design type:                             | freestanding  |                        |            |            |
| Other refrigerating appliance:           | yes   |                        |            |            |
| General product parameters:              |   |                        |            |            |
| Overall dimensions H / W/ D              | 840x480x500   | (millimetre)           |            |            |
| Total volume                             | 91  | (dm <sup>3</sup> or l) |            |            |
| EEl                                      | 124.9   |                        |            |            |
| Energy efficiency class                  | F   | [A/B/C/D/E/F/G]        |            |            |
| Airborne acoustical noise emissions      | 39  | (dB(A))                |            |            |
| Airborne acoustical noise emission class | C   | [A/B/C/D]              |            |            |
| Annual energy consumption                | 107.31  | (kWh/a)                |            |            |

|  |  |   |                             |                     |
